

(ACT 2 OPENS)

SONG: CONVICTION:

"Felons in the Congress. Sounds sleazy, no? But in our little circle on Capitol Hill, you might say every one of us is a bit of a goniff, trying to keep up a busy career without going to prison. It isn't easy.

You may ask, why do we have Joe Arpaio, Chelsea Manning and Michael Grimm running for seats this year? They run because they have nothing else to do. And how do you know they belong in this undrained swamp? That, I can tell you in one word.....Convictions."

(Chorus sings)

Convictions, convictions.....convictions.

(Narrator)

"Because of their convictions, they earned some street cred in the district. Here on Capitol Hill we have investigations for everything... chasing girls, chasing boys, even selling legislation. For this, we keep lawyers on retainer. This shows our constant concern about corruption. You may ask, how do these investigations start? I'll tell you. It depends. But they give us our convictions.

Because of our convictions, everyone knows what we did before and what we can be expected to do in office."

(Arpaio sings):

"Who day and night  
Chased anyone Latino  
Kept em in a lockup  
Based on how I felt,  
"And who had the gall  
As Maricopa sheriff  
To tell the courts to go to hell."

(All)

The sheriff, the sheriff... Convictions.

(Manning):

Who would give the secrets of the USA  
To Wiki Leaks so they could leak  
Who got jailed for helping all our enemies  
Until Obama got me off the hook.  
The soldier! The soldier...

Convictions

(Grimm)

I started with the FBI  
That's where I learned to steal  
I did some time in Washing-ton  
And then ... in prison.

(All)

The grifter! The grifter....

(Narrator)

As you can see without our convictions this act might be as boring as... as... a pol who tells the truth!

HUCKABEE SANDERS: I'm Sarah Huckabee Sanders, Queen of Denial. This administration has a perfect record. 27 indictments and no convictions! It's better than the New York State Senate!

REPORTER: But there are a bunch of guilty pleas!

HUCKABEE SANDERS: Guilty? Please!

SONG: SARAH! (Roxie Hart)

The name on everybody's lips  
Is gonna be SARAH.  
For the fake news apocalypse  
You've gotta thank SARAH.  
I will defend aggressively  
The pre-si-dent's fake news and lies  
I'll tell you all you need to know about  
Shitholes, DACA, and Russian Spies!

Don't think you're gonna get the truth  
When dealing with: SARAH  
You know that spin's my cup of tea  
And as Cabinet members fall like flies  
The one whose star is gonna rise, is  
Sarah Huckabee... Sanders

(SPOKEN)

I lie with impunity to create unity; it's for your own good, ya dumb hacks  
And I won't feel slighted when Donald's indicted, cuz I've got a book in the works  
That will break nondisclosure and ruin the composure of all of you White House jerks

I'm gonna see my name in lights  
They're gonna spell...SARAH  
The talk show circuit's calling me....

HUCKABEE SANDERS: There's been a lot of confusion about how you get a security clearance here at the White House. So to clarify the new rules, I'd like to bring out the man who is the chief of staff, for today. John Kelly.

KELLY: The following people now have full clearance: the White House chef, the man Melania hired to be the gardener, also her cabana boy, the Capitol Hill McDonald's manager, all gold tier members from Maralago -- as long as your dues are paid, and Scott Baio.

JAVANKA: We think you're leaving someone out.

KELLY: Well, Jared and Ivanka - better known as Javanka, I have bad news -- you cannot go past this line.

JAVANKA: Why?

KELLY: That's classified. And what are you wearing?

JAVANKA: It's from our new line, the Javanka Trump Couple Collection -- for when you're truly joined at the hip.

AN ALARM SOUNDS

RYAN ZINKE: Hi, I'm Ryan Zinke, Secretary of the Interior -- and somebody is trying to break into this interior.

KELLY: So that's why you need such expensive doors! Who is it this time?

ZINKE: It appears to be that woman from Big Brother.

KELLY: Oh-mar-osa!

OMAROSA runs into the room, having clearly just jumped over a fence and out run the Secret Service.

OMAROSA: I haven't gotten my severance! That's no way to treat the Assistant to the President and Director of Communications for the Office of Public Liaison, better known as one of Trump's two black friends. Take a bow, Ben Carson!

(BEN CARSON walks on)

CARSON: Zinke! You spendthrift. I only shelled out \$31,000 for my dining table.

KELLY: Omarosa, how on earth did anyone approve such a long title?

OMAROSA: It was either a long title or a real job.

KELLY: Wait, are those cameras?

MAKEUP CREW runs out to touch up her makeup. CAMERA MAN gets right in front of her.  
DRAMATIC REALITY SHOW MUSIC.

OMAROSA: [whispering] I'm living proof of life after Trump and I'm not alone. I see a little silhouette of a man --

ENTER ANTHONY SCARAMUCCI

SCARAMUCCI: Scaramooch, Scaramooch, and I'm here for my close-up!

KELLY: You drop-outs. I can't tell whether I pity or envy you.

SONG: SHE'S GONE BY HALL & OATES

**I'm Chief of Staff General John Kelly,  
I was hired by the president to clear the decks, yeaaaaaah.  
It all started out with Scaramucci.  
I was first to be one of more you see.**

**Just in the Office of Communications,  
Sean Spicer, Mike Dubke and I'm Hope Hicks, yeeeeeeeah.  
And don't forget there must be Omarosa,  
Firing you and me lets Donald get his kicks.**

We're gone (**They're gone**), oh I, oh I  
We knew we just couldn't stay, no  
We're gone (**They're gone**) oh I, oh I  
[OMAROSA, shaking her finger:] It isn't gonna be okay, oh  
We're gone (**And they're gone**) oh I  
What a song!

**Trump looked around at his closest advisors,  
The very first to go had to be Michael Flynn, yeeeeuh-yeah  
Then Priebus, Gorka, and I'm Steven Bannon,  
Rob Porter had to flee, a domestic...violence spree!**

We're gone, (**They're gone**), oh I, oh I  
Better learn how to face it,  
We're gone, (**They're gone**), oh I, oh I  
It isn't such a big disgrace-uh  
We're gone, (**And they're gone**),

Who's next  
to move on???

Rex Tillerson got fired on Twitter  
And a trade war's tariffs pushed out Gary Cohn, yeeeeeeeah.  
And then McCabe, and what about McMaster,  
**Now it's plain to see he could come for me.**

We're gone, **(They're gone)**, oh I, oh I  
Feels like a big act of arson,  
We're gone, **(They're gone)**, oh I, oh I  
And up next could just be Ben Carson.  
We're gone **(They're gone)**,  
There's just  
something wrong!

((TRUMP enters))

TRUMP: Look at all these losers. Flunked out of my administration. Sad! And I've got Mueller breathing down my neck, with my AG doing nothing for me. Lightweight chokers. I shoulda hired a heavyweight for that gig -- it woulda been a day at the beach.

IMAGE: CHRIS CHRISTIE ON HIS BEACH CHAIR

TRUMP: And I could've had Rudy Giuliani at Secretary of State. We would've started like, 10 wars by now. The best wars.

RUDY: I'm not MARRIED to the War idea Donald. Speaking of married, I guess the 4th time will be the charm.

CHRISTIE: You'll be OK Rudy. Besides. It's Time for some traffic problems outside of Amazon's New Headquarters. Unless Bezos picks New Jersey.

SONG: I WISH THEY ALL COULD BE CALIFORNIA GIRLS

(BOTH)

Well East coast guys have lip  
they really know just what to say

CHRISTIE:

I was a Governor - mucking up the Bridge  
The traffic jam was like child's play

RUDY:

The law and order Mayors really make you feel alright  
from the Yankees games to that stop and Frisk

I coulda given Justice bite

[Hook]

I wish they all could be Tri-State Area

I wish they all could be Tri-State Area

I wish they all could be Tri-State Area GUYS

ENTER REX TILLERSON AND JEFF SESSIONS

TILLERSON: I'm Rex Tillerson. And I'm not that sad I got fired while taking a dump. Speaking of which, I missed the days when I dumped toxic sludge all over the world from an environmentally conscious, ethical place. Exxon.

SESSIONS: Well recuuuuuse me. Believe it or not I'm STILL the attorney general, Jefferson Bureaguard Sessions, although the boss calls me Mr. Magoo. But I kind of won him back when I ruined McCabe's retirement party. And...I've been working on that MS-13 problem. My new solution is to just get rid of Long Island, just cut it off. End of MS-13. Up next, I'm gonna take on MSG. The Knicks' playing was criminal this year.

CHRISTIE: Don't be so down, Jeff. All of us are getting upstaged by another prosecutor, anyway.

ANNOUNCER: And now, give a big round of applause to the funniest man in the world, Special Prosecutor Bob Mueller!

[Tonight Show music]

MUELLER: Three Russians walk into Trump Tower. And unlike most of the Trump administration, they all have security clearance! You're such a lovely audience! Take my confession, please! I got an offer you can't refuse -- it's borscht, in a gulag, in Siberia, and the minimum stay is 15 to 18 months. Hey, here's another one. Three guys walk into the White House -- a prosecutor, a cop and a bail bondsman. Put your hands together! [Points to someone in the crowd] Not you, you put them behind your back.

TRUMP: [heckling from the crowd] Fake jokes! Loser! No collusion!

ENTER JAMES COMEY

COMEY: [slow clap] Those are true jokes, Mueller. Throw the book at him, Bob. And if you do, it should be A Higher Loyalty: Truth, Lies, and Leadership, by me, true patriot James Comey, available at Barnes & Noble April 24. Makes a great Mother's Day gift. I'll explain how I can save us from the debacle that I created.

OPRAH: And it's part of Oprah's book club!

TRUMP: Yeah, well, I'm writing a book too. It's called See Melania Run.

MUELLER: Run Melania, run.

OPRAH: That one won't be on the list.

But Beating Trump in 2020 requires star power. Someone who can chew him up, and spit him out. And I, Oprah Winfrey, have the answer. I'll put him on the Weight Watchers menu. We'll call him the SCHLA - MEAL!

(SONG)

OPRAH PLEASE!

(To "Ob-La-Di, Ob-La-Da," by the Beatles.)

Smiling on the cover of my magazine,  
I got money, I got power, I'm renowned.  
But the country is in trouble - it's the worst I've seen,  
And I hear it every time I turn around.

"Oprah please,  
Can't you see,  
That we need you,  
Tell us Oprah that you'll run."

"Oprah please,  
Can't you see,  
That we need you,  
Badly down in Washington."

Donald is a dotard, and he's in a bind,  
'Cause he's gonna lose the Congress in the fall.  
And I'm not saying I have running on my mind,  
But I bought a pair of Nikes at the mall.

"Oprah please,  
Can't you see,  
That we need you?"  
I hear it everywhere I go.

Oprah sees,  
There's a need,  
And I hear you,  
But, will I do it? - I don't know

MIKE PENCE enters

PENCE: Oprah, I'm sorry, but you're going to have to leave -- I can't be in a room alone with a woman who isn't my wife. And even her, five minutes, tops.

OPRAH: But Steadman's here!

PENCE: Oh, I hadn't noticed him.

OPRAH leaves. NIKKI HALEY walks in.

HALEY: Mr. Vice President, I have that UN resolution on the travel ban. Our new slogan is Norway or the high-way.

PENCE: Nikki, I've got my own ban to worry about -- and talking to you violates it. We've got to stop meeting like this.

HALEY: What are you talking about? I'm bringing you a memo.

PENCE: Mother will be furious. Nikki - go lose my number.

HALEY: And this guy thinks other people need shock therapy.

BANNON: did somebody say shock therapy? I've got a surprise for you all. I'm Steve Bannon and I took a shower today. My first one since the 2016 election!!

SONG: I GO TO EXTREMES

Call me a racist, call me a louse  
Call me if you got some rabble to rouse  
Warrior from Breitbart, ready to fight  
Barn-burning bard of the Radical Right  
Lately I've been out of favor with Trump  
"Fire and Fury" got me good and dumped  
Maybe I wasn't so bright

Donald I don't know why I go to extremes  
Blew up this white gangsta rapper's wet dreams  
You couldn't handle my truth, exiled me, called me uncouth  
Donald, you're lost without my brilliant schemes

Trump's Prince of Darkness, so ultra-right, some people call it a crime  
Stomping the dreams of the Dreamers, appealing to slime  
Couldn't take Kushner, Ivanka's so fake, just wants to broaden her brand  
Facebook got used, truth was abused, why was it me who got banned?

Donald I don't know why I go to extremes  
Tried to stay true to forgotten folks' dreams  
You played your game, served the rich, and threw us into a ditch  
Donald that's why I still go to extremes.

ENTER STEVE MNUCHIN and LOUISE LINTON

LINTON: Speaking of extreme, can you believe that Air Force One doesn't fly direct to Bora Bora?

BANNON: Steve Mnuchin and Louise Linton, your let them eat cake ways make it hard to reach the common man.

LINTON: Why? Steve's as common as anyone. But me, I'm a material girl.

SING MATERIAL GIRL -- (Madonna)

LOUISE: VALENTINO, TOM FORD, WE KNOW , THEY'RE ALRIGHT BY ME,  
IF INSTAGRAMMERS HAVE A PROBLEM, I CAN HIT DELETE,

THEY CAN HATE AND THEN BERATE, BUT THEY CAN'T SEE THE LIGHT, (Mnuchin –  
That's Right)  
'CAUSE MY MAN WITH THE COLD HARD CASH IS ALWAYS MR. RIGHT,

MNUCHIN:

' CAUSE WE ARE LIVIN' IN THE MATERIAL WORLD,

LOUISE: AND I AM A MATERIAL GIRL

BOTH: YOU KNOW THAT WE ARE LIVING IN A MATERIAL WORLD,

LOUISE: AND I AM A MATERIAL GIRL

Louise: I'm a serial

Steve: she's imperial

Louise: a material girl

TRUMP: Finally, I'm among my people. Louise, you definitely would have been Miss Universe material -- at least a 7 -- and I would've checked you out in the dressing room. And I wouldn't have knocked. Believe me.

THERE'S A KNOCK OFF STAGE ENTER STORMY DANIELS

TRUMP: Oh god. It's Stormy Daniels. Never met her. Seen all her films, but never met her. Michael Cohen, make her go away!

COHEN counts out cash.

COHEN: Sure thing, David Dennison. I've got a fat stack from my home equity line of credit. And a bulletproof non-disclosure agreement.

\_\_\_\_\_

STORMY: I'm ready to talk. And there's really not much to talk about -- it was very average, and all missionary. □

TRUMP: That's how I appeal to my evangelical base!

STORMY: Somebody hand me a Fortune magazine!! He needs a spanking. Can't just resist those tighty- whiteys.

TRUMP: i've found whiteys provide the support I need.

STORMY: Over all, if I had to grade it, I'd give it a small D.

MELANIA: Where's ICE? Somebody get me ICE.

[Butler runs out with ice bucket]

BUTLER: Here you go, Mrs. Trump!

MELANIA: Not bucket of ice! I need ICE, tell them my papers are out of order. They need to take his wife, please! The Iceman, cometh!

ICE agent enters.

ICE: Mrs. Trump, we'd love to help you, but my agents are very busy rounding up Jackson Heights.

MELANIA: But I'm guilty. I did the chain migration thing -- Donald says that's very bad.

ICE: Quit yanking my chain.

MELANIA: My chain? Tiffany's.

ICE: For now, chain migration is legal. Just ask your parents.

MELANIA'S PARENTS ENTER

MELANIA'S MOM: [in a Slovenian] I like to live in America! It's not Slovenia, but what is?

JOHN BOLTON:

I'm John Bolton. If you're anything like me you've spent the last 15 months watching the haphazard, bumbling and meandering evil of this current administration. Seeing that just made me sick to my stomach. They COMPLETELY lacked the cold hearted and calculated evil of the Bush administration. That's where I come in! Can you believe they haven't even started a single war?!? I started two! I started two wars so good they're still going today.

Mike Pompeo and Gina HASPEL!!! We're not finished torturing the audience. Sing it with me.

BOLTON, POMPEO and HASPEL.

War. What is it good for.

Absolutely everything!!!

War. Huh! What is it good for!!

Absolutely everything!!!  
Say it again.

War huh. Good god!  
What is it good for!!!  
Absolutely everything!!!  
And we want MORE!!!

ENTER GEORGE W. BUSH and LAURA

BUSH: That was some weird shit. Anyway Laura, it sure is great to no longer be the worst president of all time. It's inspired me to do a new painting.

IMAGE: Obama in the hedges

LAURA: I'm so proud of you George. Boy, has time flown. Remember when our babies were newborns, and they had to ""drink"" from a bottle?

VIDEO: Clip of POLLY with her KIDS.  
(in cue: when you walk into a bar  
out cue: buying drinks with fake IDs is so Bush league...")

KIDS, ( now grown, enter wearing same checkered bandanas and overalls)

LAURA: Jenna and Barbara ! Where have you been? Happy Hour was over at 5! We gotta go, it's getting late -- in fact, it's almost Sunday.

SCHUMER: Did somebody say Sunday?

A GAGGLE OF PRESS enters

REPORTER: Yeah, I have a question, Senator Schumer. Now that you're minority masher, what's your agenda?

SCHUMER: Well, it's mostly to hold pressers like these and hit up the Catsimitidis Roundtable.

GRAPHICS: MISSILE ALERT

THE VOICE OF MARVIN SCOTT: Ladies and gentlemen, we interrupt this show to tell you a missile is heading for the Hilton. Uh, wait, it's actually a rocket. A little rocket. A little rocket man!!!

ENTER KIM JONG UN AND DONALD TRUMP

KIM: Mr. Trump, it's so nice to meet with you and I'm so happy to not have to call you a Deranged Dottard any more.

TRUMP: I'm happy too, because I don't know what that means. Kim, I want to thank you for being the only person in the world to buy a case of Trump steaks.

KIM: I had my half-brother taste them for me. And Mr. President, thank you for giving me Dennis Rodman -- MY one black friend.

TRUMP: Look, I know I said in front of all those TV cameras that I wanted you to dis-arm. But it turns out that the NRA is really getting on me about your right to have to have nuclear weapons for self-defense.

KIM: Let's get to negotiating, Donald.

TRUMP: Let me just consult my team -- We call 'em the Von Trump Family Singers. Javanka, Eric, Donald Jr., and what's-her-name.

TIFFANY: how many times do I have to tell you. It's TIFFANY. You just brought me to a white supremacy rally -- I mean, a campaign event.

TRUMP: (SHRUGS)

ERIC: Dad. FORGET about her. Let's talk about the elephant in the room.

DON JUNIOR : Eric, I told you not to talk about my meeting with the Russians in Trump Tower?

ERIC: What, I didn't know about that. I'm talking about an actual elephant. We killed one, but these tusks are never gonna make it through Customs.

TRUMP: WHEN Kim and I are done with this so called summit, nobody's gonna need customs son.

SONG: How Do You Solve a Problem Like Korea (Liff)

Trump:

He fires his nukes and tests his bombs  
His haircuts worse than mine  
I said you're done, you rocket man  
I sent him every sign  
But then he wrote he wants to meet  
So I said, sure, that's fine  
So maybe now he won't blow up your Mama

Kim:

I may be nuts but he's a loon  
A dotard who's deranged  
My people may eat dirt and grass  
And no I'll never change  
But all it took was one nice note  
And he thinks I am strange  
It's easier than dealing with Obama

Kim:

I'd like to say a word in his behalf  
Rocket man... makes me...laugh

Both:

How do you solve a problem like Korea  
How do you make a madman settle down  
How do you back away from Armageddon  
When everyone knows we are each a clown

Trump:

My people said I shouldn't take this meeting  
What do they know when I'm the smartest guy

Kim:

The meeting shows he is lame  
I already won the game

Both:

If this doesn't work kiss South Korea bye bye

Oh, how do you solve a problem like Korea  
How do you make a madman settle down

ENTER BERNIE SANDERS WEARING A PARKA

BERNIE: This nuclear stand-off is giving me the chills. I haven't been this cold since de Blasio's inauguration. And I'll swear, I'll never do it again.

MAYOR RUSHES IN

MAYOR: Bernie! It's me, Bill, your best friend, your protege, we went to the ball drop together?

BERNIE: Oh yeah, and that Working Families Party pancake breakfast. All you can eat! I took home like 10 pancakes. But they were gluten-free.

MAYOR: I'm so happy to see you here, but what are you doing here in Des Moines?

BERNIE: I'm doing what you're pretending to do -- moving the party to the left.

ENTER JOE BIDEN

BIDEN: You're too old for this Bernie. The party needs young blood, like me. Joe Biden! I got a transfusion just last week.

SANDERS: Joe, I've wondered myself if it's time to get out of the game.

BIDEN: NEVER! I've been training (throws a few air punches) so I can take Trump out behind the schoolyard.

ME and JULIO...SONG

Bernie:

At 76, I ain't run out of tricks  
I'm still the millennial rage  
De Blasio said to get out of the way  
I should give him the center stage

I still got the Bern  
I still got the Bern

He should wait his turn  
I still got the Bern

Biden:  
Bernie, I'm done with Biden my time  
I still knock 'em dead on the stump  
Hillary said I should give her a chance  
And now we're all stuck with Trump

Both:  
Well, we're on our way  
We know right where we're going  
To I-o-way  
We may be old but we're not dead yet  
Good-bye Cuomo, Kirsten and Billy  
It's Bernie and Biden, not in the graveyard

Bernie:  
The right wing Dems say we lefties can't win  
America won't let a red lead

Biden:  
They don't understand it takes a left wing hand  
To get us on the cover of BuzzFeed

Both:  
Well, we're on our way  
We know right where we're going  
To I-o-way  
We may be old but we're not dead yet  
Good-bye Cuomo, Kirsten and Billy  
It's Bernie and Biden, not in the graveyard  
It's Bernie and Biden, not in the graveyard

BERNIE: Now if I DID pick a successor....

MAYOR: [Drops to his knees] I've been praying for this moment since you swore me in.

BERNIE: Remind me, who are you again?

MAYOR: Bernie, bro, I was just on your radio show! we were just talking before you broke into song. We share the same values. I'm the mayor of New York City!

BIDEN: I'm more interested in the Night Mayor, maybe she can get me into Studio 54.

MAYOR: Bernie, level with me. Are you running again, or are you ready to pick a successor?

BERNIE: Well, Bill, I've made a decision. I think it's time for a new generation of leaders -- and someone from New York, someone with compassion, a strong record on gay marriage, raising the minimum wage, family leave, and that person --

[MAYOR is beaming]

BERNIE: And someone who's got a cute dog that can win the voters over.

[MAYOR begins panicking]

BERNIE: I'm all-in with Andrew Cuomo. Plus, say goodbye to the Willis Avenue Bridge and drive right over the Bernie Bridge to the Bronx.

CUOMO struts in, with Captain.

CUOMO: Don't be too disappointed, Bill. We do have something in common.

MAYOR: yeah, I did love it when you crew locked up Ken Lovett of the daily news.

CUOMO: I'm the guy who bailed him out. No silly Billy we wanna take down Trump. . And the only way to beat him, is to move to the Left.

TO THE LEFT.

To the left, to the left

To the left, to the left

To the left, to the left

Everyone says I gotta move to the left

Got too close to the I-D-C

Working Families Party won't have me

And Bill's talking that smack, downstate

Every word he says leaves me irate

So I said that Jews can't really dance

Chris Quinn's gaffes got people looking askance  
Cynthia talking to Glamour  
Messing with my 2020 hopes  
Sayin I'll never win the women vote  
It's got me flipping

You must not know 'bout me  
You must not know 'bout me  
I'll send troopers down in a minute  
State National Guard down in a minute

You must not know 'bout me  
You must not know 'bout me  
Just ask Bill about my vendettas  
So don't you ever for second get  
To messin' with Andrew Cuomo

DE BLASIO: Andrew, You know we hate each  
other's guts.

CUOMO: Bill, I agree. You make me sick. But if we  
don;t curb our  
narcissism. We are all gonna walk like Donald

WALK THE DINOSAUR

(PerpWalk With Donald Trump )

Boom Boom Wacky Tacky Donald Trump

Boom Boom Wacky Tacky Don Trump (4X)

We are all narcissists, we're smothered in our glow

We spend your money folks, as if you didn't know

The guy who's in the White House gonna have it

Rough

If we don't watch ourselves, we'll all wind up in

Cuffs

Perp walk like Donald Trump

Perp walk like Donald Trump

Circle your thumbs, all you chumps

We're goin' down like Donald Trump (4X)

Boom Boom Wacky Tacky Donald Trump

Boom Boom Wacky Tacky Don Trump (4X)

We're going down this road and grabbing what we

Can

They will expose us soon, if we don't change our

Plan

Who knew he'd be the president, the Hemingway

of tweets

We better learn or we'll get burned and end up

On the streets.

Perp walk like Donald Trump

Perp walk like Donald Trump

Circle your thumbs, all you chumps

We're going down like Donald Trump

(Repeat a few times as chorus marches off stage left and right..and returns to do Inner Circle Parade).
